

**DIRECTIONS** my location address is 26061 Hwy 39, Leduc County,  
I am Located west of the city of Leduc. I live just off the Hwy 39  
My Driveway is not at an intersection.

From **Southside Edmonton**, go south on the QE2 towards the city of Leduc you will pass the Edmonton International Airport, you want to take the second entrance into Leduc which will say City Center, CALMAR stay right you will go around the corner you are now facing west. Leduc Common Shopping Center is on your right At the lights leading into the Leduc Common.....

**\*\* CHECK YOUR ODOMETER \*\*** from there to my driveway it is 7 kl.

As you are driving west on the highway out of town look ahead, *in the distance* you will see a slight hill with trees. My driveway is on the Left or South side of the highway.

**FYI** this can be a busy highway if you happen to have a lot of traffic BEHIND YOU especially any big trucks PLEASE pull over and let them go in front, as you have to turn across oncoming traffic to my driveway and I am on the cusp of hill.

I have a large gate at the entrance. Pull the pin and Slide the gate same direction you were driving, come in, then **Please Close the Gate**. Drive just beyond house, the gate into Dog yard is between house and garage. Thanks

From **West End of Edmonton** VIA Highway 60.... go thru Devon, (**do speed limit going thru town have photo radar**) after Devon continue SOUTH on HWY 60. The highway will go from 4 lanes DOWN TO 2 LANES, continue south you will come to an intersection which is where Hwy 60 meets up with Hwy 39.

You are going to want to go East or LEFT at this intersection at the current time there is a stop sign. (**sometime in the ? summer of 2017 they are supposed to be putting in a traffic circle, so there may be construction**) *try to avoid this intersection at rush hour if you can!*

You have turned Left and you are now heading East on Hwy 39 I am just over 3 KL from the intersection on the RIGHT or South side of the road, just after Range Rd 261, I am the only house on this side you will see the trees and the house is tucked in there. You can see my Garage and Quanset from this view.

The driveway is tucked into the trees you will pull up to a large Gate. Pull the pin and slide the gate back the way you have come from. Drive thru then

**Please CLOSE THE GATE** Drive just beyond the house, the gate into the Dog yard is between the house and Garage.
